

Subject card

Subject name and code	Basic Linguistics, PG_00189591						
Field of study	Slavic Studies						
Date of commencement of studies	October 2026	Academic year of realisation of subject			2026/2027		
Education level	Bachelor's studies	Subject group			Obligatory subject group in the field of study Subject group related to scientific research in the field of study		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	1	Language of instruction			Polish		
Semester of study	1	ECTS credits			2.0		
Learning profile	academic	Assessment form			exam		
Conducting unit	Division of Slavonic and Balkan Studies -> Institute of Classical and Slavonic Studies -> Faculty of Languages -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor	dr hab. Artur Bracki					
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	30.0	0.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		2.0		18.0	50
Subject objectives	To familiarize students with the history of language research and the basic issues raised in linguistic research. Indication of research topics. Students' interest in linguistics as a constantly developing science, creating new methodologies, but at the same time showing classic topics undertaken within philology. Drawing attention to its history, divisions and subject of research, language diversity and its functions within a given community or nationality, and issues related to various types of borderlands. Developing analysis skills and learning the skills of a linguist.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SLAWL3_W05] The student identifies on the advanced level the main theories and findings of research schools in the field of linguistics.	Student: - has knowledge of the specific subject and methodology in the field of linguistics (K_W01); knows linguistic terminology (K_W01); identifies the main theories and findings of research schools in the field of linguistics (K_W05).	[SW4] test/exam - oral or written [SW1] oral statement/ conversation/discussion
	[SLAWL3_W04] The student knows and understands on the advanced level methods of linguistic research and analysis in relation to South Slavic languages.	The student knows the scope of his/her knowledge and skills (K_K01).	[SW4] test/exam - oral or written [SW1] oral statement/ conversation/discussion
	[SLAWL3_K01] The student is aware of the level of knowledge acquired about Southeastern Europe and its languages, and is able to critically evaluate this knowledge.	Student: - understands the need for continuous education and professional development in the field of linguistics (K_K01); - is aware of the comprehensive nature of language and its complexity and historical variability of its meanings (K_W04).	[SK1] oral statement/conversation/ discussion [SK4] test/exam - oral or written
	[SLAWL3_U01] The student is able - in Polish or one of the South Slavic languages (Serbian or Croatian) - to search, select, analyze and interpret information using advanced information and communication techniques.	The student has research skills, including the formulation and analysis of research problems, the selection of research methods and tools, the development and presentation of results, allowing for solving problems in the field of general linguistics (K_U01); can formulate an oral statement in the field of linguistics in Polish (K_U06).	[SU1] oral statement/conversation/ discussion [SU4] test/exam - oral or written
	[SLAWL3_W01] The student has advanced knowledge of facts, theories and methods in the fields of literary studies, linguistics, cultural and religious studies, and art studies focused on communication in Polish, one of the South Slavic languages (Serbian or Croatian) and an East Slavic language (Russian or Ukrainian).	The student has knowledge of the specific subject and methodology in the field of linguistics (K_W01); knows linguistic terminology (K_W01); identifies the main theories and findings of research schools in the field of linguistics (K_W05); is aware of the comprehensive nature of language and its complexity and historical variability of its meanings (K_W04).	[SW4] test/exam - oral or written [SW1] oral statement/ conversation/discussion
[SLAWL3_U06] The student is able to communicate in Polish, one of the South Slavic languages (Serbian or Croatian) - using various communication channels and techniques - with the specialists in the fields of linguistics, literary studies, cultural and religious studies and art studies.	The student is aware of the comprehensive nature of language and its complexity and historical variability of its meanings (K_W04).	[SU1] oral statement/conversation/ discussion [SU4] test/exam - oral or written	
Subject contents	<p>History of linguistics (Studies of language in ancient times: Mesopotamia, China, India, Greece, Rome. Arabs. Times of Renaissance and Enlightenment). The beginnings of linguistics as an independent discipline. Young grammarians. Research on national languages in diachrony and synchrony. Structuralism. The origin of language and shifts in its functioning. The concept of a linguistic sign and classification of signs. Linguistics as a separate scientific discipline, cooperating with other sciences (the so-called Furdal triangle). Divisions within the discipline. Internal differentiation of language. Languages on the borders. Contemporary Slavic linguistics: research issues, new research methodologies, scientists. Some issues of the theory of writing.</p>		
Prerequisites and co-requisites	None		
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	Active presence in classes	80.0%	30.0%
	Oral examination after the first semester of study	51.0%	70.0%

Recommended reading	Basic literature	<p>A.1. Wykorzystywana podczas wykładu:</p> <p>D. Diringer, Alfabet, Warszawa 1992. A. Furdal, Językoznawstwo otwarte, Wrocław 2004. R. Grzegorzczkova, Wstęp do językoznawstwa, Warszawa 2007. M. Ivić, Kierunki w lingwistyce, Wrocław 1975. E. Łuczyński, J. Maćkiewicz, Językoznawstwo ogólne. Wybrane zagadnienia, Gdańsk 1999. T. Milewski, Językoznawstwo, Warszawa 1979. various texts by Anna Wierzbicka (for example: A. Wierzbicka, Język umysł kultura. Red. J. Bartmiński, Warszawa 1999; Wierzbicka, O języku dla wszystkich, Warszawa 1965). In addition to the compulsory literature, during each lecture, students become familiar with the items used during the lecture that are not included in the compulsory literature (they can also write down their bibliographic addresses). These texts can be used as additional literature to expand their knowledge or discussed by the student during the exam.</p>
	Supplementary literature	<p>Encyklopedia języka polskiego, Warszawa 2002. Encyklopedia językoznawstwa ogólnego, Wrocław 1993. I. Grek-Pabisowa, Staroobrzędowcy.
