Subject objectives	The aim of the lecture is to present in chronological order the achievements of Serbian and Croatian literature from the earliest times to the end of the 19th century. The lecture provides complementary historical and literary knowledge, taking into account the Slavic context of the development of South Slavic literatures based on previous knowledge of Slavic literature of the pre-literate and literate era, as well as historical and cultural subjects. The exercises constitute an essential illustration of individual literary and cultural phenomena of this diverse and centuries-old process.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[SLAWL3_W03] The student knows and understands on the advanced level the methods of literary analysis and interpretation in relation to South Slavic literature.	The student is able to analyze and use information about South Slavic literature using theoretical and material sources (K_U01).
