	Number of study hours	60		0.0		40.0	100
Subject objectives	Practice in teamwork, game design and prototyping of history-themed games in two team projects lasting a few weeks each.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	[PGHL3_U07] Collaborates within a project team, coordinating individual and team work in the development of historical games		Productively contributes to team-based game design and prototyping		[SU8] observation of student's independent or team work		
	[PGHL3_W08] Explains the significance of knowledge from various disciplines used in the development of games focused on history and cultural heritage		Comprehensively discusses the process of game design and analogue prototyping, including games themed around history/heritage		[SW1] oral statement/conversation/discussion		
	[PGHL3_K01] Critically evaluates his/her own knowledge, demonstrating readiness to expand it and to seek expert advice when encountering difficulties in independently solving a problem.		Critically evaluates (in a postmortem) design decisions made by the team		[SK2] presentation/project/paper/report
