<b>Subject objectives</b>	The course aims to introduce the Integrated Development Policy and in particular the sources and methods of its financing. The aim of the course is to familiarise the student with the principles relating to Integrated Development Policy. The aim is to show the student how the EU's integrated development policy is present in many areas of our lives.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ADMINL3_U02] is able to communicate on matters typical for professional work related to their field of study and to prepare oral presentations, written papers, and a legal document concerning basic issues related to the organization and functioning of public administration, administrative activity, and the application of law in selected areas of social and economic life; including the ability to draft a typical administrative act and an application in an administrative case.	-	[SU1] oral statement/conversation/discussion
	[ADMINL3_K02] is aware of the necessity to undertake actions aimed at protecting the public interest, the social interest, and the individual interests of a person, as well as of the need to balance these interests, with due respect for the law, in the event of conflicts between them. Moreover, he/she demonstrates an entrepreneurial approach and is prepared to initiate legal proceedings in which such interests are safeguarded.	-	[SK8] observation of student's independent or team work
	[ADMINL3_W04] possesses advanced knowledge of, and understands, the legal and administrative determinants of selected areas of social and economic life, including the rights and obligations of individuals vis-à-vis other individuals and public authorities. Furthermore, he/she is familiar with the competences of administrative bodies within these areas.	-	[SW4] test/exam - oral or written [SW2] presentation/project/paper/report
[ADMINL3_U04] is able to plan and organize his/her own work and is prepared to actively participate in teams involved in the performance of administrative activities.	-	[SU2] presentation/project/paper/report [SU8] observation of student's independent or team work
