	Number of study hours	20		0.0		80.0	100
Subject objectives	The aim of the course is to familiarize students with the basic mechanisms of the functioning of the market economy. In the further course of studies, the knowledge acquired during classes will help students understand the legal institutions that regulate phenomena and processes of an economic nature. Thus, it should be particularly helpful when learning civil, commercial, public economic and financial law.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[ADMINL3_U01] drawing upon his/her own knowledge as well as other sources of information — including the ability to use modern technologies and professional methods of acquiring and analysing information — is capable of identifying, analysing, and resolving problems, as well as interpreting phenomena relating to the organization and functioning of public administration, administrative activity, and selected areas of social and economic life.	-	[SU4] test/exam - oral or written
	[ADMINL3_K01] being aware of the role of knowledge in solving problems related to the organization and functioning of administration, as well as the application of law in selected domains of social and economic life, they are prepared to critically assess their own knowledge and the content they receive, and also recognize the need to rely on expert knowledge—including doctrinal views and case law—when encountering difficulties in independently resolving a problem.	-	[SK4] test/exam - oral or written
	[ADMINL3_W05] is familiar with and understands the current dilemmas concerning the functioning of public administration and activities undertaken within the sphere of the state and administration in relation to substantive, procedural, and constitutional law institutions. Moreover, he/she identifies the fundamental phenomena occurring within the market economy and economics, including knowledge and understanding of the basic principles governing the establishment and development of various forms of entrepreneurship.	-	[SW4] test/exam - oral or written
