Subject objectives	The aim of the course is to introduce students to the principles of liability for damages in public administration and to develop practical skills in identifying situations that give rise to civil and administrative liability. Students will learn to analyze cases of legal violations by administrative bodies, assess the legal consequences of such actions, and formulate claims for damages as well as defenses against them.						

Learning outcomes

Course outcome	Subject outcome	Method of verification
[ADMINL3_K02] is aware of the necessity to undertake actions aimed at protecting the public interest, the social interest, and the individual interests of a person, as well as of the need to balance these interests, with due respect for the law, in the event of conflicts between them. Moreover, he/she demonstrates an entrepreneurial approach and is prepared to initiate legal proceedings in which such interests are safeguarded.	Knows and understands the responsibility of public authorities and local government units.	[SK4] test/exam - oral or written
[ADMINL3_U01] drawing upon his/her own knowledge as well as other sources of information — including the ability to use modern technologies and professional methods of acquiring and analysing information — is capable of identifying, analysing, and resolving problems, as well as interpreting phenomena relating to the organization and functioning of public administration, administrative activity, and selected areas of social and economic life.	Is able to construct documentation in the field of public administration in accordance with legal standards and assess the type of documentation that requires the assistance of other specialists, including those in the field of law, in its preparation.	[SU4] test/exam - oral or written
[ADMINL3_W04] possesses advanced knowledge of, and understands, the legal and administrative determinants of selected areas of social and economic life, including the rights and obligations of individuals vis-à-vis other individuals and public authorities. Furthermore, he/she is familiar with the competences of administrative bodies within these areas.	Is able to construct documentation in the field of public administration in accordance with legal standards.	[SW4] test/exam - oral or written
