

Subject card

Subject name and code	Seminar I - MACHNIKOWSKA Anna, PG_00201496						
Field of study	Law						
Date of commencement of studies	October 2023	Academic year of realisation of subject				2026/2027	
Education level	uniform Master's studies	Subject group					
Mode of study	part-time studies	Mode of delivery				at the university	
Year of study	4	Language of instruction				Polish	
Semester of study	8	ECTS credits				2.0	
Learning profile	academic	Assessment form				credit	
Conducting unit	Department of Civil Procedure -> Faculty of Law and Administration -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr hab. Anna Machnikowska				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	0.0	0.0	0.0	0.0	25.0	25
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	25		0.0		25.0	50
Subject objectives	<ul style="list-style-type: none"> • Preparation for independent, in-depth analysis and synthesis of the legal status and doctrine of civil proceedings. • Enhancement of skills in presenting one's own research and practical work through participation in: academic discussions, simulation games related to procedural strategy, preparation of legal opinions. • Development of commitment to respecting the rights of the individual, including the right to access to court and intellectual property rights. 						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[PRAWOJ5_UW02] The graduate utilizes theoretical knowledge in legal science and the connected academic disciplines to analyze and interpret complex legal issues	The student is capable of utilizing knowledge of civil procedure to develop and revise litigation strategies, legal opinions, and pre-litigation agreements.	[SU1] oral statement/conversation/discussion [SU5] implementation of a problem task [SU6] demonstration of practical skills [SU8] observation of student's independent or team work
	[PRAWOJ5_UU12] He/she acquires knowledge efficiently and develops his/her professional skills using various sources (in native and foreign language) and modern technologies	The student analyzes critical events in the field of civil procedure law and, incorporating doctrinal contributions, develops litigation strategies for use in civil proceedings.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work [SU5] implementation of a problem task [SU6] demonstration of practical skills
	[PRAWOJ5_WG07] The graduate knows methods and tools, including techniques of data and information acquisition, as well as research methods appropriate for the field of study and the related disciplines	The student has knowledge of the locations and principles for sourcing materials used in preparing procedural documents and legal opinions, and is familiar with legal analysis methods.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work [SW5] implementation of a problem task
	[PRAWOJ5_WG04] He/she knows the system of Polish law, mutual connections within the system and connections of Polish law with the European Union law and international law	The student knows how to position issues related to civil procedure within the framework of national law, European Union law, and their connections with international law.	[SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report [SW3] text preparation/written work
	[PRAWOJ5_WG02] He/she knows wide terminology and concepts in the scope of law and connected disciplines	The student is able to draft a procedural document and a legal opinion for judicial proceedings.	[SW2] presentation/project/paper/report [SW3] text preparation/written work [SW5] implementation of a problem task
	[PRAWOJ5_UW03] The graduate demonstrates deepened skills of using complex theoretical points of view to analyze, interpret and plan strategies of legal activities; solves concrete problems connected with the creation, application and interpretation of legal regulations, anticipates the course of their solution and predicts the effects of planned activities	The student analyzes critical events in the field of civil procedure law and, incorporating doctrinal contributions, develops litigation strategies for use in civil proceedings.	[SU1] oral statement/conversation/discussion [SU3] text preparation/written work [SU5] implementation of a problem task [SU6] demonstration of practical skills
	[PRAWOJ5_KK01] The graduate is deeply aware of the level of his/her knowledge and skills, and also understands the need of lifelong learning	The student is aware of the continuous changes in civil procedure law, as well as the dynamics and nature of changes in the needs of civil procedure stakeholders, and understands the implications these factors have for the ongoing obligation of legal education.	[SK1] oral statement/conversation/discussion [SK5] implementation of a problem task [SK6] demonstration of practical skills
	[PRAWOJ5_KR07] The graduate is ready to take up professional challenges, takes up efforts and is persistent in the implementation of individual and group activities in the creation, application or interpretation of legal regulations and related sciences	The student is able to draft a legal opinion, participate (individually and in groups) in discussions by presenting arguments and counterarguments concerning the functionality of key civil process institutions, and engage in simulation games.	[SK1] oral statement/conversation/discussion [SK3] text preparation/written work [SK5] implementation of a problem task [SK6] demonstration of practical skills [SK8] observation of student's independent or team work
	[PRAWOJ5_WG01] The graduate demonstrates deepened and systematic knowledge about the character of legal science, its place in the system of sciences and mutual relations.	The student has knowledge of the principles for acquiring and utilizing jurisprudence and judicial decisions to analyze critical events that qualify for civil proceedings.	[SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report [SW5] implementation of a problem task
	[PRAWOJ5_UK08] The graduate has wide skills to prepare written works connected with the work of a lawyer in Polish and foreign language	The student is capable of independently and promptly preparing a legal opinion for use in both judicial proceedings and out-of-court procedures.	[SU3] text preparation/written work [SU6] demonstration of practical skills
	[PRAWOJ5_WG05] The graduate demonstrates systematic knowledge about the types of legal relations and the governing regularities	The student possesses detailed knowledge of the legal status and judicial opinions related to the subject of the legal opinion they have authored.	[SW1] oral statement/conversation/discussion [SW3] text preparation/written work [SW5] implementation of a problem task
