

Subject card

Subject name and code	Contemporary political theories, PG_00204086						
Field of study	Political Studies						
Date of commencement of studies	October 2026	Academic year of realisation of subject			2027/2028		
Education level	Master's studies	Subject group			Obligatory subject group in the field of study Subject group related to scientific research in the field of study		
Mode of study	full-time studies	Mode of delivery			at the university		
Year of study	2	Language of instruction			Polish		
Semester of study	4	ECTS credits			3.0		
Learning profile	academic	Assessment form			credit		
Conducting unit	Division of Political Theory -> Institute of Political Science -> Faculty of Social Sciences -> Rector						
Name and surname of lecturer (lecturers)	Subject supervisor		dr hab. Jarosław Nocoń				
	Teachers						
Lesson types	Lesson type	Lecture	Tutorial	Laboratory	Project	Seminar	SUM
	Number of study hours	30.0	0.0	0.0	0.0	0.0	30
	E-learning hours included: 0.0						
Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		3.0		42.0	75
Subject objectives	The aim of the course is to familiarize students with the key political theories that influence the contemporary understanding and view of the political sphere of social life. Acquaintance with the assumptions defining the key paradigms of the interpretation of politics, necessary for an objectified perception of the subject of political science research.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[POLMU2_W03] Has in-depth knowledge of various political theories and doctrines and is able to analyze their significance and application in contemporary politics.	Knows main political theories	[SW2] presentation/project/paper/report
	[POLMU2_W08] Has an in-depth understanding of the mechanisms of social perception of politics and is able to analyze their significance for public opinion and political processes.	Knows definitions of politics	[SW2] presentation/project/paper/report
	[POLMU2_W14] Has an in-depth knowledge and understanding of theoretical and methodological approaches in political science research, and is able to analyze their assumptions and critically evaluate their application in various research contexts.	Knows main theoretical currents in political researches	[SW2] presentation/project/paper/report
	[POLMU2_U09] Is able to indicate the conditions for the evolution of political systems by properly selecting sources, critically assessing, analysing and synthesising them, creatively interpreting and transferring the acquired knowledge, using advanced information and communication techniques.	Knows what is political proces	[SU2] presentation/project/paper/report
	[POLMU2_U01] Is able to describe and evaluate political life from the perspective of various theoretical and doctrinal approaches.	Is able to describe theoretical pluralism of political sciences	[SU2] presentation/project/paper/report
	[POLMU2_W04] Has an in-depth understanding of the functioning of political power and the factors influencing the behavior of political actors at both the individual and societal levels.	Knows analytical models of political power	[SW4] test/exam - oral or written
	[POLMU2_K07] Is able to independently and critically supplement knowledge and develop disciplinary skills, taking into account the interdisciplinary dimension of issues and problems.	Knows ontological and epistemological base of politological researches	[SK2] presentation/project/paper/report
[POLMU2_U02] Is able to critically and independently analyze the mechanisms of political power.	Knows analytical models of political power	[SU2] presentation/project/paper/report	
Subject contents	<p>Political theory as a subject of political science research. The concept of political theory. Philosophical and historical conditions of political theory.
