Learning activity and number of study hours	Learning activity	Participation in didactic classes included in study plan		Participation in consultation hours		Self-study	SUM
	Number of study hours	30		0.0		70.0	100
Subject objectives	The aim of the course is to prepare students to develop the concept of their bachelor's thesis. Students select the thesis topic, formulate the research problem and outline of the thesis, and become familiar with the principles of academic writing as well as methods for searching for scholarly literature, legal acts, and case law. The seminar also serves to deepen students knowledge of administrative proceedings, including issues related to the application of substantive law and judicial review of administrative action.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	ADMINL3_WK10		The student knows and understands the key issues and dilemmas related to administrative proceedings, the application of substantive law, and judicial review of administrative action, as examined in the course of preparing the bachelor's thesis.		[SW2] presentation/project/paper/report		
Subject contents	The course content includes: • discussing the nature of the diploma thesis, • presenting the principles of academic writing, • selecting the diploma thesis topic by students, • collecting and analyzing by students scholarly literature, case law, and legal acts related to the thesis topic, • preparing by students the concept of the diploma thesis and beginning the drafting of its individual parts, • deepening knowledge of selected issues in administrative proceedings, the application of substantive administrative law, and judicial review of administrative action.						
Prerequisites and co-requisites
