| <b>Subject objectives</b>                          | The aim of the bachelor's seminar is to provide students with knowledge, skills and methodological competences that allow them to solve economic problems, including those related to the chosen specialization, and to create scientific texts based on publications and empirical data, as well as to write a bachelor's thesis text in accordance with the faculty instructions.  |  |                   |                                     |  |            |     |
| <b>Learning outcomes</b>                           | Course outcome   |  | Subject outcome   |                                     | Method of verification   |            |     |
| <b>Subject contents</b>                            | <ol style="list-style-type: none"> <li>1. Formulating important problems in the field of economics, especially in the scope of the issues of the chosen specialization, which may constitute the subject of research in the bachelor's thesis.</li> <li>2. Formulating the purpose of the work (research question/research thesis).</li> <li>3. Selection and analysis of sources of knowledge appropriate for explaining a given problem while maintaining the principles of intellectual property protection.</li> <li>4. Principles of the construction of the bachelor's thesis.</li> <li>5. Description and diagnosis of the research subject.</li> <li>6. Detailed analysis (structure, dynamics, barriers, cause-effect relationships, effects).</li> <li>7. Creation of development scenarios, forecasts or strategies in relation to the issues studied.</li> <li>8. Editing the text of the bachelor's thesis (scientific language of the study, bibliographic description, error control).</li> <li>9. Preparation of tables and graphic illustrations.</li> <li>10. Preparation of the bibliography of the work, list of tables, drawings and charts in accordance with the faculty template and instructions.</li> <li>11. Principles of writing the introduction and conclusion.</li> <li>12. Preparation of a summary - summary of the bachelor's thesis in English.</li> <li>13. Intellectual property protection and copyright.</li> </ol> <p>As part of the student's bachelor's seminar, 5 hours of consultation with the supervisor are planned in the course of preparing the diploma thesis.</p> |  |                   |                                     |  |            |     |
