The student is familiar with the terminology of cultural and religious studies as well as art studies at an advanced level and is able to apply it in their thesis.	[SW1] oral statement/conversation/discussion
	[KULMU2_W01] possesses in-depth knowledge of the subject matter and methodology of cultural studies, which they are able to develop and creatively apply in their professional activities.	The student has an in-depth knowledge of the subject-specific and methodological specifics of cultural studies, which they are able to develop and creatively apply in their master's thesis.	[SW1] oral statement/conversation/discussion
	[KULMU2_U06] can create synthetic approaches to cultural phenomena based on scientific knowledge and research and professional experience related to the chosen specialization.	The student can create synthetic approaches to cultural phenomena in their master's thesis based on scholarly knowledge and research experience.	[SU1] oral statement/conversation/discussion [SU8] observation of student's independent or team work
	[KULMU2_U04] has the ability to integrate knowledge from different humanities disciplines and apply it in unconventional professional situations.	The student has the ability to integrate knowledge from various humanities disciplines in their thesis.	[SU1] oral statement/conversation/discussion [SU8] observation of student's independent or team work
	[KULMU2_U03] can independently acquire knowledge and expand skills to develop their own predispositions and consciously manage their professional career, especially within the chosen specialization.	The student is capable of independently acquiring knowledge and expanding skills to write their thesis effectively.	[SU1] oral statement/conversation/discussion [SU8] observation of student's independent or team work
	[KULMU2_U01] demonstrates fluent skills in searching, interpreting, and selecting information, utilizing various sources, media, and technologies, and formulates independent conclusions based on them.	The student is proficient in searching for, interpreting, and selecting information from various sources, media, and technologies, and formulating independent conclusions based on them.	[SU1] oral statement/conversation/discussion [SU8] observation of student's independent or team work
Subject contents	The content covered during classes depends on the seminar's topic and the instructor. It primarily includes issues related to the subdomain as well as methodological aspects essential for preparing works of a specific profile.		
Prerequisites and co-requisites			
Assessment methods and criteria	Subject passing criteria	Passing threshold	Percentage of the final grade
	active participation	51.0%	20.0%
	completing the thesis	51.0%	80.0%
Recommended reading	Basic literature	Depends on the chosen topic.	
	Supplementary literature	n.a.	
	eResources addresses		
Example issues/ example questions/ tasks being completed	Depend on the chosen topic		
Work placement	Not applicable
