Subject objectives	The objective of the course is to analytically read selected texts of 20th and 21st century Swedish literature in the original language, which are representative of the development of society and its issues. The student is expected to understand them, reflect on them, and analyze them with references to literary theory. At the same time, the accompanying exercises are designed to develop the language skills of the course participants						

Learning outcomes	Course outcome	Subject outcome	Method of verification
