Subject objectives	• Developing speaking, listening, reading, and writing skills in German at an intermediate level. • Enriching vocabulary and correctly applying grammatical structures in both spoken and written communication. • Practicing the ability to understand a variety of spoken texts (conversations, lectures, radio broadcasts, etc.). • Developing reading comprehension skills for various written texts. • Writing coherent and comprehensible texts. • Familiarizing students with the culture, history, and realities of life in German-speaking countries.						
Learning outcomes	Course outcome		Subject outcome		Method of verification		
	[FGL3_U06] They can use German at level C1 of the Common European Framework of Reference for Languages		Target Level B1+ The student develops fluency and precision in typical academic and social situations. Learning outcomes: Understanding texts — understands longer spoken and written texts on familiar topics. Argumentative speaking — can express opinions, justify them, and respond to others' arguments. Academic interaction — participates in simple discussions and presentations. Complex writing — produces longer texts such as reports, descriptions, and simple analyses. Cultural competence — recognizes communicative and social differences in German-speaking countries.		[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU3] text preparation/written work [SU4] test/exam - oral or written [SU6] demonstration of practical skills		

Subject contents	Practical Grammar:		
	The implementation of specific grammatical topics in semester 2 should depend on the grammar content covered during the textbook course in semester 1.		
	Recommended topics for semester 2 (30 hours): 1. Conjugation of verbs in the present tense, 2. Auxiliary verbs and modal verbs, 3. Tenses, 4. Reflexive verbs, 5. Imperative, 6. Active and passive voice, 7. Verb government (Rektion der Verben), 8. Separable/inseparable verbs.		
	Conversations:		
	The selection of thematic scopes designated for semester 2 may be modified based on the topics covered in semester 1 within the textbook course.		
	Recommended thematic areas for implementation in semester 2:		
	1. Leisure time and hobbies, sports 2. Marriage and family/partnership 3. Generations, youth, upbringing, education 4. Emotions, feelings, interpersonal relationships 5. Health and illness		
	Current articles from the press/media can be added to the proposed topics, enriching the list of issues.		
	Objective of classes: formulating personal opinions, thoughts, argumentation, providing examples, drawing conclusions, controlled and free discussions.		
	Vocabulary + Writing		
The expanded range of vocabulary and the ability to use it correctly in various forms of written expression should relate to thematic areas indicated in the Conversation component in semester 2.			
Written forms to choose from depending on the course topics and the instructor's intentions: description, characterization, summary, commentary, narrative, essay, formal letter, motivation letter, review, report, essay, dissertation, essay.			
Phonetics			
Recommended topics: training in correct German pronunciation focusing on segmental and suprasegmental elements, with particular attention to vowels, diphthongs, consonants; basic knowledge of articulatory organs; phonetic transcription (IPA), word stress, sentence stress, intonation.			
Prerequisites and co-requisites	Continuation of studies in semester 2 requires achieving positive results from the completion of semester 1.		
Assessment methods and criteria			
	Subject passing criteria	Passing threshold	Percentage of the final grade
	Weighted average of individual course modules	51.0%	50.0%
	Overall (weighted average) grade from oral and written exams	51.0%	50.0%
