Subject objectives	The aim of the course is to familiarize students with the genres of utopia and dystopia and their representative examples in Russian literature.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[FROSMU2_U06] The graduate is able to conduct an in-depth analysis of linguistic phenomena and processes characteristic of the Russian language and literary texts in Russian, referring to specific methods of linguistic and literary studies, using appropriate specialist terminology.	The student is able to conduct an in-depth analysis of selected Russian texts from the utopia and dystopia genres, using appropriate research methodology (e.g. narratological methods, sociological, biographical approach, etc.) and specialized terminology.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU4] test/exam - oral or written
	[FROSMU2_W08] The graduate has an in-depth knowledge and understanding of selected theories and methodologies in literary studies, particularly those applying to research on Russian literature.	The student knows and understands at an in-depth level selected theories and methods of literary research, in particular those applicable to the analysis and interpretation of works from the utopian and dystopian genres in Russian literature.	[SW4] test/exam - oral or written [SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report
	[FROSMU2_W06] The graduate has an in-depth knowledge and understanding of the major achievements and directions of development in literary studies, particularly in relation to research on Russian literature.	The student knows and understands in depth the achievements and development trends in the history of utopia and dystopia, especially in relation to research on Russian literature.	[SW4] test/exam - oral or written [SW1] oral statement/conversation/discussion [SW2] presentation/project/paper/report
	[FROSMU2_K01] The graduate is prepared to critically evaluate their own knowledge and the content they encounter in linguistics, literary studies, and related fields, particularly in relation to issues concerning the Russian language and Russian literature.	The student is ready for constructive discussion and reflection on utopian and anti-utopian perceptions of reality and critical evaluation of texts of these genres.	[SK1] oral statement/conversation/discussion [SK2] presentation/project/paper/report [SK4] test/exam - oral or written
	[FROSMU2_K02] The graduate is prepared to recognize the importance of knowledge in solving cognitive and practical problems and to seek expert opinion in case of difficulties in solving them independently, in particular in relation to Russian linguistics and literary studies and contextual knowledge of Russian studies.	The student is ready to recognize the importance of knowledge about utopian and anti-utopian thinking in solving cognitive and practical problems and is aware of the need to seek the opinion of Russian experts in the event of difficulties in solving a problem on their own.	[SK1] oral statement/conversation/discussion [SK2] presentation/project/paper/report
	[FROSMU2_U03] The graduate is able to analyze the works of various authors, synthesize various ideas and views, develop and present the results of their activities in a logical and thoughtful manner, using methods and tools appropriate for Russian linguistics and literary studies.	The student is able to analyze the literature on the subject necessary during classes and during final assignments, synthesizing the ideas and views contained therein, and present the results of his or her research in a logical and substantively coherent manner.	[SU1] oral statement/conversation/discussion [SU2] presentation/project/paper/report [SU4] test/exam - oral or written
