Subject objectives	The aim of the course is to familiarize students with the legal regulations regarding the participation of animals in sports. The main focus will be on getting to know Polish regulations, but for comparison, solutions from other countries will also be presented. The lecture aims to have a deeper discussion on the role of law in protecting animal welfare.						

Learning outcomes	Course outcome	Subject outcome	Method of verification
	[PSPORTL3_K02] Is aware of the need to act with respect for the public interest, the common good and the legitimate interests of individuals in the field of sport, including compliance with the principles of fair play, equal treatment of participants and the protection of the integrity of sporting competition; he is ready to fulfil social obligations towards the sports community and its environment and to think and act in an entrepreneurial manner by initiating and co-organising initiatives that foster its development.
