Subject objectives	The main objective of the course is to develop students' proficiency in Business German, with particular emphasis on topics related to international business, finance, management, and economics. The course follows the CLIL (Content and Language Integrated Learning) approach, integrating language development with the analysis of business-related content. The course aims to enhance students' ability to communicate effectively in an international business environment and to prepare and deliver analyses, reports, and presentations concerning business and economic issues.						
Learning outcomes	Course outcome		Subject outcome		Method of verification
