| Subject objectives                          | The aim of the course is to familiarize students with the legal and tax aspects of conducting business activities by minors. During the course, students will learn about the taxation rules applicable to minor entrepreneurs, their tax rights and obligations, the rules governing representation, and liability for tax obligations. The course also aims to prepare students to analyze and solve practical problems related to the tax status of minor entrepreneurs and to apply the relevant provisions of tax law. |                                                          |                                                                                                                                                                                                                                            |                                     |                                     |            |     |
